REGUPOL flooring is tailored to meet the specific needs of each facility, reflecting the commitment to sustainability and quality.

REGUPOL aktivpro roll is an ideal choice for weight rooms and performance centers. Its durability and enhanced traction give lifters a stable, reliable foundation, enabling them to push their limits with confidence. Designed to absorb impact, the flooring reduces noise and minimizes wear on equipment, creating a safer, quieter environment for intense training sessions. Additionally, **aktivpro roll**'s customizability ensures it fits seamlessly with the aesthetic and functional demands of any athletic facility. For high-traffic areas where peak performance is essential, **REGUPOL** sets a new standard in sports flooring.

“What did we get with our aktivpro roll system? One, it’s a superior product; two, it’s a superior surface... that’s what I’ve gotten, and then the durability of it, we aren’t gentle on anything in the weight room – equipment, bars, plates, bumpers, flooring.”
